Dear TAR Leader:

It is my great pleasure to welcome you to the *2017 Teen Age Republican Leadership Conference* in beautiful Arlington, VA.

This year marks our 38th Annual Conference and TARS has grown substantially over the years. We have firmly established ourselves as the premier forum in all areas of Republican youth initiatives.

As we look forward, I am reminded that there are 32 million 18-24 year olds! And, nearly three-quarters of the eight million high school seniors eligible to vote *are not even registered!*

We must work hard and concentrate on bringing this important group into the Republican Party, and more specifically registering like-minded individuals to vote!!

TLC '17 promises to be informative, enjoyable, and affords you the opportunity to make new friends who share your philosophical views. I hope you will leave this TAR Conference with a renewed commitment to leadership in TARS and the Republican Party.

Best always,
